

## IB Diploma and Career-related Programme Provisional Results: May 2024 - Discovery College

Discovery College is pleased to announce the IB Diploma results of the Class of 2024. In many areas, these are the College's best set of results to date, including achieving a 100% pass rate for both DP and CP students and they compare favourably with world averages. While we are proud of the results of all our students, we are particularly pleased to announce that Caitlin Wong achieved a perfect score of 45 points.

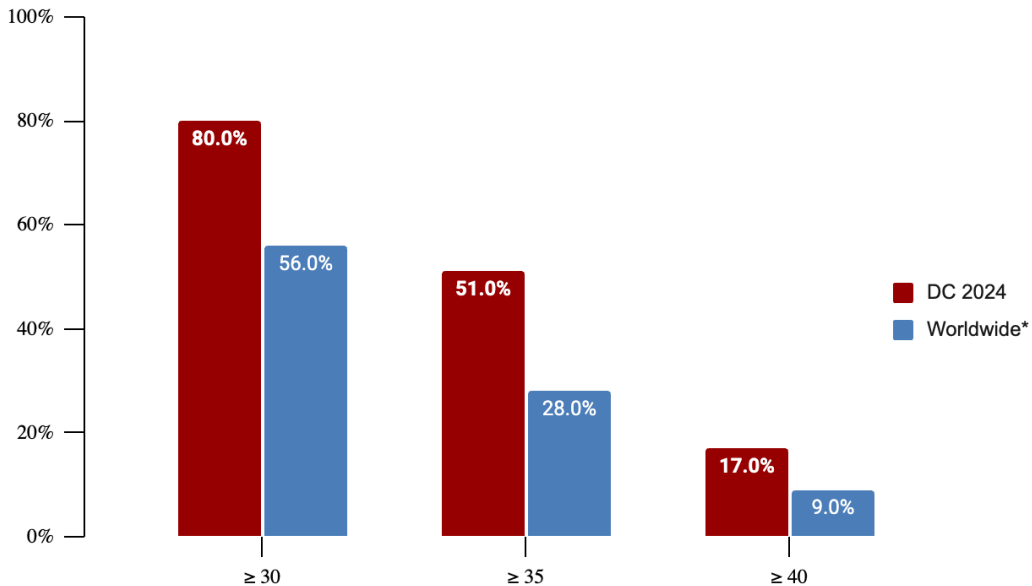

The graphs and table below show summary information. These are preliminary data and do not reflect the outcomes of any remarks that may be undertaken for individual students and subjects.
